Dear Board of Directors,

In order to help assist your homeowners in this challenging economic situation I have decided to host a financial counseling service at my Marshalls Creek office every Wednesday between 9.30 am and 12 noon.

This service is being provided free of charge by the United Neighborhood Centers of North East PA. They will offer counseling on mortgage issues, reverse mortgages and general consumer credit counseling.

I would encourage you to notify your members of this service so that together we may be able to prevent further foreclosures and, by assisting with the restructuring of family finances, enable your association to collect a higher percentage of dues.

I am very willing to work with you in bringing UNC and other qualified professionals from the appropriate industries and agencies to weekend workshops in or near your community so that we can reach more homeowners, especially weekly commuters.

Please contact me if I can be of further assistance. To talk directly to UNC about their services please call Jill Moyle on 570 343 8835.

Sincerely,

A handwritten signature in cursive script that reads "John J. Siptroth".
