The Front Gate

During August and September, MSO and Public Safety have completed training classes on the new GateHouse platform that will replace Gate Manager. Several questions were raised during these training sessions about the functionality of GateHouse compared to Saw Creek's specific needs. Management wants to be sure that we have a smooth rollout of the new platform with as few surprises as possible. Hardware that will need to be replaced at all the gates has been delayed due to Covid-19. We continue training and suggesting improvements to the existing platform while we await the hardware arrival. Thank you for your patience!

Should there be a Senior Program at Saw Creek?

Wednesday Senior Program? Are you interested in attending the senior program again at Top of the World on Wednesdays with Pike County Area on Aging (PCAA)? Contact Recreation at recreation@sawcreek.org or call (570) 588-9329 ext 2218. We will hopefully start again if we have enough interest.

Garbage & Recycling

All bagged household garbage goes into the compactor. Do not leave garbage outside of your home or on the ground at the compactor area as many residents are now spotting bears and other wildlife more frequently as the weather changes. Bulk items (furniture, appliances) and recycling occurs twice a month. Here are the dumping dates for October: 10/10 & 10/24. For more info email MSO.
