## In and Around Saw Creek Estates

### COVID-19 UPDATE - CLOSURES

Based on the latest guidance from the DOH and Governor on November 23, 2020, we are responding accordingly by suspending all interior events (with the exception of the restaurant unless we receive additional info on more restrictions) for the month of December.

**The fitness center including the racquetball court, indoor pools and indoor tennis courts have temporarily closed as of Monday, November 30, 2020.**

Supplemental information will be forthcoming on changes to scheduled recreational events in December - whether they will be canceled or altered to accommodate the new limits imposed by these new regulations. In addition, ski hill operations will also be altered and additional information will be promulgated in December.

These decisions are not made lightly and are being implemented in an effort to be compliant with recent guidance from the DOH and in an attempt to protect our amenity users and our personnel. If further operational changes are necessary to remain compliant with regulatory and governmental guidance, we will be making those changes as well and communicating them to you as soon as possible. We appreciate everyone's continuing cooperation in the midst of this ever-changing Covid season.

### TEMPORARY GATE CARD RE-ACTIVATION

With all our residents have endured with Covid and in consideration of the upcoming holidays, we are temporarily re-activating gate cards for all delinquent account owners. We strongly encourage these affected owners to contact [Accounting@sawcreek.org](mailto:Accounting@sawcreek.org) to get under a payment plan ASAP as this re-activation period will end on January 15th.
