COVID-19 UPDATE

The Pennsylvania Governor released updated guidelines for bars and restaurants that serve alcohol on-premises. We are now able to operate at 50% capacity for indoor dining, but alcohol may not be sold after 11pm statewide.

This is what you need to know

The Pennsylvania Liquor Control Board released updated guidelines for bars & restaurants that serve alcohol on-premises. These rules are still in effect.

- We have eliminated some of our dining tables to allow for a minimum of six feet per table, our team and staff members will be cleaning the restaurant and all accessible surfaces constantly throughout hours of operation. We have set up hand sanitizing areas around, please use them.
- Bar service of food and/or alcohol is prohibited
- We will only be open for Curbside pickup, Outdoor seating, & Indoor dining with a max capacity of 50 people.
- Outdoor Dining is weather permitting and phone numbers will be taken at the time of reservation. If we will be canceling outdoor and you have a reservation, we will call you to let you know. Deck closes at 9pm. Please exit by the ski area.
- All customers and employees MUST wear masks when they enter or travel throughout the dining areas this includes the deck area. You may remove your mask once your food and beverage are served.
- Reservations are required. We will not be taking any reservations for large parties at this time. Tables are limited to a max of 8 people, with the exception of immediate family only both indoor & outdoor. Pushing tables together is prohibited at this time. Reservations with any party of 8 or more needs to secure their reservation with a credit card, if you need to change or cancel your reservation please do so within 24 hours prior to your reservation date. Automatic gratuity will be added to any parties of 6 or more guest.
- We will also be implementing a 2-hour time limit on table stays at this time. This way, we can serve other guests that would like to dine with us as well.

Please understand that we will be abiding by the CDC guidelines as much as we possibly and practically can.

Make sure to follow Social distancing, mask, & hand washing rules. Thank you for your patience and understanding as we adjust to the new guidelines.
