Community Staff Needed:

We have recently added many wonderful people to our community staff, making it possible to shorten some of our amenity's breaks and increase capacity limits of our amenity's hours (see reverse for amenity hours). To continue moving forward with these changes, we still need some help! Help us make the facilities fully operational! Please review available openings at <https://sawcreek.org/saw-creek-estates-employment/> or email hr@sawcreek.org for specific details.

Please note that all candidates must be available for flexible hours, including weekends and holidays, have reliable transportation, and must undergo drug and background screening. Equal opportunity employer and drug-free workplace.

Not getting our weekly emails? Text SCEinfo to 22828.

New Owner Portal:

Attention Owners! Please watch your email for an invitation to register for our new owner portal provided by ComWeb. We are continually making improvements to provide top-notch service to our members, and this is one of them!

The new owner portal is more robust than the former portal. Owners will be able to not only pay through the portal but also view charges and activity on their account, message the management team concerning issues, and much more!

The portal invitation will be sent to the owners' current email on file. We are encouraging all owners to update email contact information with our Member Services team right away. If you are interested in registering and have not received an invitation link, No problem! Just email portal@sawcreek.org.
