Important changes in the assessment payments and collections policy:

The annual assessment will now be due on January 1, not January 15 as in past years. However, you will have 30 days, until January 31, to pay in full without any penalties (late fees or interest). Additionally, If your account is in good standing—meaning it shows a zero balance as of December 31, 2025 — you will be eligible to enroll in a 12-month installment plan. Payments under this plan will be due on the first day of each month, beginning January 1.

To take advantage of this option, you must sign up for the plan through our website. Simply beginning to make monthly payments will not qualify you for enrollment, as Pennsylvania law requires that all participants explicitly agree to the plan's terms. If you enroll in the installment plan, all payments must be made on time each month. Missed or late payments cannot be "caught up" later. Once an account becomes delinquent, the payment plan will be canceled, and the only way to regain good standing will be to pay the full remaining balance in one payment. Gate cards and amenity fobs will be deactivated immediately when an account becomes delinquent — beginning in February, rather than during the summer as in previous years.
